

Serving survivors of domestic violence, sexual assault and child abuse

2018 Annual Report

A LETTER TO YOU

Dear Friends,

Fiscal year 2018 was an exciting and productive year here at Heartly House as we continue to serve survivors of domestic violence, sexual assault, human trafficking, and child abuse and strive to increase awareness of those issues in the community!

In September 2017, we collaborated with The Wells House, Mental Health Association and the Frederick County Department of Health on our first “Summit of Intersections of Intimate Partner Violence, Substance Use Disorder, and Adverse Childhood Experiences”. In October, we held a workshop for faith leaders about domestic violence and how faith communities can prevent it and support victims. Both conferences were very well attended, and the attendees came away with a better understanding of intimate partner violence in our community.

Through funding from the Community Foundation of Frederick County, we were able to fund a support group for men who had suffered childhood sexual abuse and hire a therapist to lead this group.

To determine the effectiveness of our services, Heartly House collaborated with the House of Ruth Maryland to initiate the Measuring Success Outcomes Program. We are now measuring not only outputs (e.g., how many individuals we served), but also whether we have helped to alleviate the negative outcomes of trauma (e.g., whether PTSD symptoms were reduced).

In April 2018, we unveiled our new public awareness video to a lively crowd of supporters. The video, which is approximately 2.5 minutes long, was welcomed with compliments and awe. You can view our video on our website, www.heartlyhouse.org.

Heartly House also began collaborating with Hood College on a grant from the Office on Violence Against Women awarded to prevent and respond to domestic violence, dating violence, stalking, and sexual violence. We will be working closely with Hood on this three-year project.

In May 2018, our child therapist became trained to work with a therapy dog, and in June, we welcomed Pandy, a black lab/golden retriever mix, to our staff. Pandy is fitting in very well and is a valuable addition to our counseling practice.

We are excited to begin a new year and look forward to the events and changes we'll see this year. We are so grateful for your ongoing belief in and support of Heartly House.

Serving survivors of domestic violence, sexual assault and child abuse

Hearty House makes a difference in our community by providing comprehensive services to victims and survivors of domestic violence, sexual assault and child abuse. By empowering victims to break their silence and end the cycle of violence, Hearty House helps make the community a safer place to live.

OUR HISTORY

In 1977, the Junior Woman's Club of Frederick investigated the problem of spousal abuse in Frederick County. At that time, there were no agencies in the County that dealt directly with the problems of domestic violence, rape, and/or sexual assault, and few that dealt with them indirectly.

Club members demonstrated that domestic violence, rape, and sexual assault existed in our community by compiling statistics from the local police, Department of Social Services, and other service agencies. As a result, in 1978, the Frederick County Task Force on Battered Spouses was established.

The Task Force solicited community support in developing a program to meet the previously unrecognized needs of physically and sexually abused citizens. The program became incorporated as a 501(c)3 non-profit organization under laws of the State of Maryland as the Frederick County Advisory Board for Battered Spouses, Inc., on December 4, 1979. The name was changed to Hearty House, Inc., in 1985.

HEARTLY HOUSE TODAY

Hearty House is...

- One of Maryland's 21 state-funded domestic violence programs and one of 17 rape crisis programs.
- The only comprehensive service provider in Frederick County.
- A 501(c)(3) private non-profit organization.

By ensuring immediate safety, empowering victims, and offering alternatives to violent homes, Hearty House helps break the cycle of violence and makes our community a better place to live.

*"Hearty House is **inspiration** and **peace** for those most **vulnerable**."*
